# Exhibition

---

In exhibition design and production, we believe people not only buy our services, but also our relations, stories and magic as everything is done in a matter of three days. We here at Hundred Media always bring exhibition stand design that reflect the energy, professionalism and services of your company. We make sure that the designs are always appropriate as per your requirements, delivering the wow factor and working within your budget. We can send your used materials from UAE show to your other exhibition locations to reuse and make it cost effective for you.

# International Projects

In international exhibition design and production, Hundred Media believes in delivering more than just services; we offer relationships, narratives, and enchantment, all orchestrated within tight timelines. Across borders, we ensure our exhibition stand designs embody your company's ethos with energy, professionalism, and precise execution. Our commitment is to create designs that resonate with your vision, delivering the 'wow' factor while adhering to your budget. Additionally, we facilitate sustainability by repurposing materials used in exhibitions across various global locations, ensuring cost-effectiveness and environmental responsibility.

# Interior Fit Out & Retail Kiosk

---

In Interior key to great design and execution is capturing the spirit of the client and the essence of the space. We can turn those hidden fantasies into a reality, creating a world where color and style blend into each other leaving a feeling of immense pleasure and tranquility. Whether you're looking for a fresh new look for your elite villa, a marvelous idea for your new luxury house, an impressive executive office, a comfortable board room, a new night club and fashionable bar, or the 'wow' factor for that star hotel/resort, we are here to make sure it's done.
